

Jump Rope v1.1.2

"Remember the game you used to play when you were a kid?"

Looking for a short casual game to pass the time? Jump Rope lets you reminisce the good old memories of your childhood days. With new twists and turns, and retaining the basic gameplay, see how long you can last with Kuyi Mobile's small screen version of the Jump Rope we grew up with! Play and compete with your friends online via OpenFeint or Game Center Leaderboards and Achievements.

Jump Rope is part of Kuyi Mobile's series of short and simple casual games dubbed "The Minis". Check out the official website for more Mini games!

New features:

- Game Center enabled
- OpenFeint enabled
- New unlockable game modes
- New "distractions"
- New achievements
- New player awards
- Miscellaneous enhancements
- And many more!
